

## Inquiry form\_Olmet Italy S.r.l. Unipersonale

Fill in the form and you'll receive an answer as soon as possible.

**\*Required**

### 1. Company data \* Fill-in with:

Company name:

Contact person:

Headquarters:

Factory address:

Phone no.:

Fax no.:

E-mail:

Website:

### 2. Machines types \* (Select one or more options)

- |   |  |  |
|---|--|--|
| <input type="checkbox"/> Systems for panels       | <input type="checkbox"/> Machinery for hollow-core slabs | <input type="checkbox"/> Systems for beams                   |
| <input type="checkbox"/> Systems for pillars      | <input type="checkbox"/> Systems for poles               | <input type="checkbox"/> Formworks for single-block elements |
| <input type="checkbox"/> Systems for bridge-beams | <input type="checkbox"/> Magnetic systems                | <input type="checkbox"/> Other: <input type="text"/>         |

### 3. Preferred or required production system

Specify (e.g. vertical batteries, carousel, single-block, double lines, etc.)

### 4. Available technical details \* (Specify the range of sections and measures)

Length

Width

Height/thickness

5. Attach drawings/specs/layout/photos and e-mail to [estero@olmetitaly.com](mailto:estero@olmetitaly.com)  Yes, I'll mail files

6. Output production required (working shift of 8 hours) \* (Specify in m<sup>2</sup>/m<sup>3</sup>)

7. Working shift/day \*  1  2  3

8. Max allowed concrete element weight (in kg) \* (Weight restrictions on account of transport or lifting capacity)

9. Insulation (if required) (Specify type, position and thickness)

**10.Inserts (if required)** Specify which type (e.g. lifting eye bolts/hooks, electrical components, etc.)

**11.Reinforcement type \***  Standard (Non-pre-stressed)  Pre-stressed

**12.Concrete type used \***  Normal  Lightweight  Self-compacting  Other

**13.Concrete compacting methods \*** (Select one option only)

None (using self-compacting concrete)      Pneumatic vibration      Electrical vibration  
Levelling / damping      Oscillation /Shaking      Other:

**14.Waiting time required before demoulding** (Specify if with or without curing/heating)

**15.Special machines required** (Indicate also more options)

Concrete distributor from O.H.T. crane (bucket)  Concrete distributing machine  
 Vibrating-finishing machine  Trowel machine  Surface-cleanig/oiling machine  
 Turning machine  Stressing and slackening systems  O.H.T. crane  Other:

**16.List of existing installations \***

Batching plant  Lifting equipment  Rebar machinery  Heating and curing systems  
 Other pre-casting lines  Other:

**17. Kindly specify the deadline for:**

submitting our quotation \*

placing the purchase order \*

equipment delivery \*

production start-up \*

**18.Any special weather / environmental conditions** Kindly specify (e.g. min & max temperatures, humidity, altitude, marine environment, etc.)

**19.Budget allotted for the purchase of the a.m. equipment \*** Kindly provide an estimate (in Euro)

**20.Additional information**
